TCU Reaches Tentative Agreement in National Bargaining

December 8, 2017 - After three years of difficult and contentious bargaining with the National Carriers Conference Committee (NCCC), TCU Carmen and Clerks together with our coalition partners (IAM, TWU and IBEW) have reached a Tentative National Agreement (TA) subject to membership ratification. The TA follows the terms of the CBG TA, which has now been ratified by an overwhelmingly majority of CBG members. (6 rail unions) Those details have been widely published. A comprehensive ratification package is being prepared to be mailed to each TCU member. Working with our Printer we anticipate a membership mailing date of December 27 with a ballot count date of January 22, 2018.
